Regnant St, Sege, Ghana

## PROFILE

A BSc Animal Biology and Conservation Science with Biochemistry student at the University of Ghana with achievements in designing multiple digital solutions and graphics for clients as part of my early tech journey. I possess design skills with Canva and fluent English and Ewe proficiency with a little proficiency in Twi as well key soft skills such as communication and problem solving. I hope to pursue a career in Bioinformatics, Software Development and UI/UX Design.

## EDUCATION

### **University of Ghana | Accra, Ghana**

January 2023- Present

BSc Animal Biology and Conservation Science with Biochemistry

Predicted Grade : Second Class Upper

Key Modules: Genetics, Enzymology, Biostatistics, Cell Biology

Dissertation: None Yet
